Bethany:

Thank you again for the time you have taken last Thursday, January 14, to discuss some of the concerns Air Liquide, and others, have regarding the Roosevelt Irrigation District's ("RID's") proposed Early Response Action. As I mentioned, I was able to discuss in greater detail some of those concerns with other parties that have received demands from the RID to fund the implementation of that proposal.

Therefore, I ask that you circulate within the Region, as you deem appropriate, the attached (or at least the letter itself) before the meeting RID is to have with the Region tomorrow afternoon.

Thanks again for your consideration; we very much appreciate it.
